SERVICE OFFERINGS

Precision Global Supply LLC (PGS) is a veteran-owned and SDVOSB-certified tactical supply company specializing in mission-ready gear, optics, and outdoor survival equipment. Serving both government agencies and the public, PGS delivers a broad catalog of accessories, apparel, night vision and thermal optics, and utility tools through its online platform, www.buypgs.com. With deep procurement experience supporting agencies like the DLA and VA, PGS combines responsive fulfillment and competitive volume-based pricing. Leveraging trusted vendor relationships and technology-driven logistics, PGS equips professionals, responders, and citizens with the reliable tools needed to operate effectively in the field or in daily life.

CORE COMPETENCIES

- Distribution of tactical and outdoor gear for military, law enforcement, and civilian use
- Supply of military-spec survival kits, clothing, hydration systems, and rations
- Procurement and fulfillment for federal and state agency contracts
- Custom-built load outs for field teams, first responders and emergency preparedness
- Drop-shipping and inventory management for high demand tactical products
- Software development and consulting for logistics e-commerce and operational automation

DIFFERENTIATORS

- Veteran owned business with firsthand knowledge of mission-ready gear needs
- Relationships with Tier-1 suppliers, OEM manufacturers and supply distributors
- Dual-market expertise – serving both federal and civilian markets
- Rapid fulfillment and scalable logistics support for surge or emergency demand
- Custom kitting and private label support for government and NGO operations
- Ability to apply technology and data to enhance decision-making and operational efficiency
